Turbo Attaché R

PNY Turbo Attaché R USB 3.2 Flash Drive is built for daily use, with easy-to-use 360 swivel cap design, and made of durable stainless steel for high endurance. The Attaché R USB 3.2 Flash Drive features read speeds of up to 70 MB/s.

Not only does it allow for the fast transfer and storage of files, the 360 degrees swivel metal cap better protect important files without the possibility of losing it. It is compatible with USB 3.2 Gen 1/USB 3.0 equipped PC and Mac desktop and laptop computers and other USB-A devices, and backwards compatible with USB 2.0.

- 360°metal swivel cap can protect USB connector and prevent from loss the cap.
- The durable stainless steel housing design for users to store, share, and protect important content for longer time.
- Transfer speeds approximately 10 times faster than standard PNY USB 2.0 Flash Drives
- Store and Transfer Videos, Photos, Music, Documents, and more quickly and easily
